

## Compatible dimmers for Occhio LED luminaires

These trailing edge dimmers showed flawless dimming performance in a series of controlled tests with dimmable Occhio LED luminaires <sup>(1)</sup>. Undisclosed dimmers could function without any problems though there are possible cutbacks in the dimming behavior.

### Overview

	cavity box	flush-mounted	DIN rail
<b>rotary dimmer</b>	<ul style="list-style-type: none"> <li>› Jung 225TDE</li> <li>› GIRA 30700</li> <li>› Berker 2874</li> <li>› Hager WUD42 <sup>(2)</sup></li> <li>› Busch Jäger 6519U <sup>(2)</sup></li> <li>› Sygonix 33595A</li> <li>› Feller 40300.RC.PMI.61</li> <li>› Niko 310-01700</li> <li>› Merten MEG5136-0000 <sup>(3)</sup></li> </ul>

<sup>(1)</sup> Valid for the following Occhio luminaires with integrated or external Occhio power supply unit: Sento up/track/linea/flat,

Sento sospeso up/duo/tre/flat/tri/less, 3d System (fo, lui, lei) up/track/linea/flat, Divo sospeso up, as well as all luminaires using Occhio VOLT technology.

<sup>(2)</sup> Only when using at least two luminaires. <sup>(3)</sup> Does not work with Divo and lei.
