

Link

The first Midj extendable round table features elegant curves and a solid four-star base.

Link is particularly versatile thanks to two top versions available: round or square / oval. Link comes as an original table, perfect whether at home or in the office thanks to its tops: whatever their form, face-to-face relationship is guaranteed.

Steel laser cut frame supports a framework with a central opening mechanism. The stability is guaranteed by the four-foot base, even in the larger version.
