

tribes 1,2,3

Inspired by the 'Calumet', those sacred pipes that are smoked by the indigenous tribes of North America. Tribes is a family of pendant luminaries with a very graphic and minimalist design and is equipped with two direct and one indirect LED spot modules. Tribes can create a unique and dynamic atmosphere. It is manufactured in two versions; individual with a clean graphic image and the triple version with a marked personality that creates a chandelier effect, which fits perfectly in the most contemporary spaces as well as classic or vintage interiors.
